CONTAINER PRINCIPLES

Our card system creates hierarchy, groups information and elevates content while maintaining clarity and focus.

PRIMARY CARD

Used for featured venues, hero content and key moments of discovery.

Examples: Featured venues, featured events, collections.

SECONDARY CARD

Used for search results, lists and supporting content at scale.

Examples: Search results, listings, articles.

COMPACT CARD

Used for smaller touchpoints and information-dense environments.

Examples: Saved items, recommendations, tags.

ICON PRINCIPLES

Our icon system is crafted to communicate meaning at a glance with clarity, consistency and timeless relevance.

- 

SIMPLE
Clean, minimal forms that remove noise and improve comprehension.
- 

RECOGNIZABLE
Familiar metaphors that help users intuit actions and context.
- 

CONSISTENT
Unified stroke, weight and geometry across the entire system.
- 

ACCESSIBLE
Designed for visibility and usability across all environments.

USAGE GUIDELINES

Use these icons for core navigation, system functions and long-term brand equity. Maintain consistency to support clarity, accessibility and a seamless experience.

FLEXIBLE BY DESIGN

A single system with two personalities. Icons adapt effortlessly to light and dark modes, ensuring clarity, contrast and a premium experience across every touchpoint.

TRENDY ALTERNATIVE

A more expressive set of icons with personality and energy. Designed for Gen Z moments and cultural relevance.

- 

EXPRESSIVE
Icons with character that feel alive and memorable.
- 

BOLD & PLAYFUL
Rounded forms and unexpected details that stand out.
- 

MODERN & CULTURAL
Inspired by digital culture, social platforms and emerging aesthetics.
- 

HUMAN & RELATABLE
Designed to feel friendly, approachable and easy to connect with.

USAGE GUIDELINES

Use these Iconography Options for moments that require a more expressive and cultural feel. Ideal for campaigns, social, limited-time features and Gen Z centric experiences.

FLEXIBLE BY DESIGN

This alternative set lives on the same grid and stroke logic as the core system so it can flex seamlessly across platforms and maintain visual harmony.

ICON COLOR

#1E1E1E

BACKGROUND

#F7F6F3

Moments Worth Being On The List For.

Our imagery captures the energy, intimacy and exclusivity of the experiences across The List. It's real, atmospheric and candid—focused on people, places and moments that feel worth discovering.

OUR APPROACH

- **AUTHENTIC & CANDID**
Real moments over posed. People in their element.
- **ATMOSPHERIC LIGHTING**
Natural, ambient and mood-led lighting over harsh flash.
- **HUMAN CONNECTION**
Stories of friendship, connection and culture.
- **EXCLUSIVE, NOT EXCESSIVE**
Subtle luxury through detail, not overt displays.
- **LOCAL AT HEART**
Rooted in Lebanese culture and global energy.

EXPERIENCE CATEGORIES

DISCOVERY
Rooftops, venues, hidden gems.

SOCIAL
People, laughter, real connections.

ACCESS
Entering, arriving, and being welcomed.

MUSIC
DJs, live performances and the soundtrack.

DINING
Great food, crafted drinks, and long conversations.

NIGHTLIFE
The energy, the moment, the night comes alive.

COMPOSITION

- PREFERRED**
- ✓ Natural movement & candid moments
 - ✓ Environmental storytelling
 - ✓ Depth, layers and real atmosphere
 - ✓ Intimate, unposed interactions
- AVOID**
- ✗ Overly posed or directed shots
 - ✗ Stock or studio photography
 - ✗ Flash-heavy or overexposed images
 - ✗ Perfection and repetition

LIGHTING

- PREFERRED**
- ✓ Golden hour & sunset glow
 - ✓ Ambient & practical lighting
 - ✓ Neon, reflections & city lights
 - ✓ Warm highlights, rich shadows
- AVOID**
- ✗ Harsh flash or direct lighting
 - ✗ Flat, overexposed scenes
 - ✗ Unrealistic color casts

**PEOPLE** Real connections. Genuine energy.

**PLACES** Spaces that set the scene.

**MOMENTS** The experiences that stay with you.

VISUAL DNA

The look and feel that define The List.

- **Slightly Desaturated**
Understated tones that feel timeless.
- **Warm Highlights**
Ambient glows that add depth and mood.
- **Rich Shadows**
Contrast that adds dimension and drama.
- **Natural Skin Tones**
Real, flattering and true to life.
- **Editorial Contrast**
Balanced, cinematic and consistent.
- **Consistent With Brand Palette**
Aligned with The List's anthracite & cream tones.
